A Little Does A Big Job!

CAUTION:

KEEP OUT OF REACH OF CHILDREN

This product may cause moderate to severe irritation and possible tissue damage to eyes depending on length of exposure. Nausea, vomiting and diarrhea may occur upon ingesting. Prolong skin contact may cause moderate irritation, defatting of skin and dermatitis.

FIRST AID:

INHALATION: Move to fresh air. Consult physician if symptoms persist. SKIN: Remove contaminated clothing and wash with plenty of water. EYES: Flush eyes immediately with large quantities of water for at least 15 minutes, lifting the eyelids occasionally. Get medical attention. INGESTION: Give large amounts of water, then several glasses of milk. Induce vomiting. Get medical attention.

HMIS Rating: Health – 1; Flammability – 0; Reactivity – 0; Personal Protection - B

DESCRIPTION:

A low-sudsing compound that is designed for use in home laundry machines or commercial type clothes washing machines.

Low Suds is an excellent compound which makes colors brighter and white things whiter.

Low Suds is a white powder that rinses easily and leaves no “soap” scum or film to gray clothes.

Low Suds is an excellent product that produces clean, fresh smelling clothes.

DIRECTIONS FOR USE

For general washing in top loading machines use ½ to ¾ cup of **Low Suds** white powered compound. For front loading machines use 2 to 3 ounces per washer load of clothes. Types of materials and water hardness will affect the sudsing action. Should the water from the final rinse cycle show evidence of suds, reduce the amount of compound used.

DO NOT EXCESS AMOUNTS OF THIS COMPOUND.

A LITTLE DOES A BIG JOB.
